**in 2000,**  
The parent company-Pintec Industry Company Ltd-  
was established which produced spring pins,  
, rings, washers, and nuts..etc.

# Taiwan HISTORY

The parent company was ISO 9001 certified.

**in 2015,**  
Witec Precision was established to  
produce springs, wire forming parts,  
strip forming parts, stamping, and  
other metal forming parts.

Applying for ISO certificate.

**in 2023,**  
Witec Precision developed the  
integration and supply chain of  
assembly parts.

assembly part**

# CAPACITY

Spring forming

Wire diameter: 0.1-65mm

Stamping

Tonnage: max. 110 tons

Strip forming

Width x Thickness < 95mm<sup>2</sup>

Spring grinding

Wire dia.: 0.3-65mm

Spring OD: max. 650mm

Plastic injec.

Weight: max. 400g

Pitch: min. 0.4mm
