COMMERCIAL RFQ • Quote either package independently • Actual orders are subject to confirmation; no annual volume commitment

BUYING MODEL: Multiple possible orders over ~12 months; quote BOTH minimum and maximum per-order quantities. Indicative annual maximum is not a confirmed purchase.

DELIVERY: 45 calendar days maximum, including road freight to Târgu Jiu, Romania (DDP preferred, DAP alternative). Warranty 24 months from customer acceptance.

#	Product / size	Mandatory standard	Class / grade	Geometry, thread, steel & finish	Min / order (pcs)	Max / order (pcs)	12-mo indic. max (pcs)
1	Countersunk nib bolt M16 x 45	STAS 1474-86	4.8 / execution class C	Countersunk head WITH nib / anti-rotation lug (STAS geometry); right-hand thread; quality carbon steel; blackened or zinc-plated. DIN 604 only if full equivalence documented.	3000	6000	12000
2	Countersunk nib bolt M16 x 60	STAS 1474-86	4.8 / execution class C	Countersunk head WITH nib / anti-rotation lug (STAS geometry); right-hand thread; quality carbon steel; blackened or zinc-plated. DIN 604 only if full equivalence documented.	100	200	400
3	Countersunk nib bolt M16 x 80	STAS 1474-86	4.8 / execution class C	Countersunk head WITH nib / anti-rotation lug (STAS geometry); right-hand thread; quality carbon steel; blackened or zinc-plated. DIN 604 only if full equivalence documented.	100	200	400
4	Countersunk nib bolt M16 x 100	STAS 1474-86	4.8 / execution class C	Countersunk head WITH nib / anti-rotation lug (STAS geometry); right-hand thread; quality carbon steel; blackened or zinc-plated. DIN 604 only if full equivalence documented.	100	200	400
TOTAL QUANTITIES (forecast only, not a purchase commitment)					**3,300**	**6,600**	**13,200**

CRITICAL: STAS 1474-86 requires class 4.8 AND execution class C. DIN 604 is acceptable only if the manufacturer documents full dimensional and mechanical equivalence. Class 4.6 is NOT acceptable.

Please quote only the items you can supply. Mark any technical deviations and attach supporting manufacturer documentation.

#	Product / size	Can supply?	OEM / model / actual class & finish	FCA/EXW unit EUR (max)	DDP unit EUR (max)	DDP unit EUR (min)*	Delivered lead (days)	Technical evidence / deviations / DAP note	DDP total EUR (max)	DDP total EUR (min)
1	Countersunk nib bolt M16 x 45									
2	Countersunk nib bolt M16 x 60									
3	Countersunk nib bolt M16 x 80									
4	Countersunk nib bolt M16 x 100									

TOTAL DDP (EUR)

* If the maximum-order delivered unit price also applies to the minimum order, leave the DDP unit EUR (min) field blank. If DDP is unavailable, state DAP and tax/customs exclusions in the deviations field.
