

Hi,

Can you offer price and delivery time for item below:

50.000 pc. DIN427 M4x25 - A2 stainless steel: *(with adjustments)*

Set screw as a **DIN427**

But with a **torx head**

a cone point

Material A2

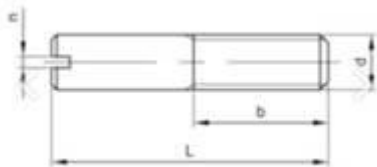

Total length of 25mm

And thread length of **8mm**

Adjustments:

B = 8mm

N = must be a torx head (or if not possible: hex socket)

On the end it must be cone point

Option 1 : TORX

Option 2 : hex socket

Hope to hear from you soon.

Met vriendelijke groeten, Salutations, Best regards, Mit freundlichen Grüßen,

Johnny Peirsman
